

Recommendations to Create Sub-committees

Actions:

1. Discuss ARB Steering committee recommendation & make changes as needed
2. Revise as needed and adopt proposal to request that the Provost endorse sub committee structure and invite members to join
3. Once members have been invited, chairs will work with staff support to set up meetings
4. Set meeting times each month or as needed on dates prior to each ARB full meeting

Current Sub-committee:

ARB Steering Committee:

Marty B. Schulter
Brad Davis
Adriana M. Duffy-Horling
Savander Parker
Heidi Pendleton
Charlie Whitcomb

Proposed Sub-committees:

Architectural Barrier Removal:

Goal 1: Proactively work on review of new construction and give input
Goal 2: Review existing facilities and do audits as needed
Goal 3: Review and respond to barrier issues presented to committee by students/staff
Goal 4: Develop recommendations for prioritizing ADA minor capital outlay list

Possible members:

Heidi Pendleton
Marty/Cindy
John Skyberg*
Betty Luna*
Marti Southam
Adriana, Chair
Susan Hansen
Bill Shum*
Student
ADA Specialist

*Steering Committee to meet with Tony Valenzuela to determine who from FD&O

should be on the team.

Health & Safety:

Goal 1: Review on an ongoing basis the Evacuation of people with disabilities (training and use of Evacu-chairs)

Goal 2: Review and recommend the implementation of “Non-emergency Evacuation” policies

Goal 3: Review and evaluate persona safety issues for people with disabilities

Goal 4: Review & recommend Health & Wellness issues & work with campus Wellness Committee

Goal 5: **Review on an ongoing basis the inclusion of students with disabilities in all aspects of campus life (added by Marty)**

Possible members:

Eloise Stiglitz, Chair
